

Dear Sr. Bror,

Sunday 16th

This note comes with much affection and very grateful feelings for your prompt reaction to my emergency. You are my Hero. You are more than that, you are such a kind and thoughtful person. A very wonderful human being - your parents are Blessed.

So hope you and Ace have a very happy and relaxing visit in Costa Rica.

Wishing you always good health and much Happiness.

With Love,
Maria

the best things are
people like you!
