Dear Dr. Brion S. Weinberg and Dr. Charmain K. Weinberg,

Thank you very much for your support of this year's Benjamin BASH Gala "New York Comes to the Palm Beaches". We took a chance this year by not only changing the venue from The Breakers to the Kravis Center but also by developing an on-line auction in tandem with our silent auction for the first time. Our hopes and goal for the evening was not only to raise money but to create a "Thank You Party" for everyone at Benjamin who has been involved in all aspects of raising money for the school.

Because of your generosity by donating to the BASH Gala through sponsorships, advertisements, bidding on live and silent auction items, purchasing car and tuition raffle tickets and giving to Call From the Heart and the Teachers Wish list; we take great pride in announcing that "New York Comes to the Palm Beaches" was able to exceed our expectations by raising over **ONE MILLION DOLLARS**, with a net profit of approximately \$850,000.

We would also like to take this opportunity to honor our Honorary Chairs, Kate and Hal Reed. They have gone "above and beyond" with their commitment to The Benjamin School. We truly believe that Kate and Hal embody the very spirit of what we want our school to be all about.

Again, our heartfelt thanks for being a part of "New York Comes to the Palm Beaches". We extend a special thank you to our committee members and all of the volunteers that helped make this night successful. Your involvement will directly benefit every single student and faculty member of The Benjamin School for years to come.

We raise our "glass" to you for the huge success of BASH 2006 We are so thrilled!

Cheers,
