April 7, 2008

Dr. Brion Weinberg, DDS, PA  
14050 U.S. Highway 1, Suite D  
Juno Beach, Florida 33408

Dear Dr. Weinberg,

It's a pleasure to inform you that FDHF recently received a charitable contribution in your honor from Dr. James (Mike) Johnson of Owensboro, Kentucky.

Recognition contributions of this type are special to the foundation because they single out and validate special service while underscoring earned respect.

You will be pleased to know that we have deposited this contribution in the foundation's general endowment where it will be joined with other contributions which provide perpetual income in support of dental health projects and programs in Florida that benefit the less fortunate.

Sincerely,

James F. Walton, DDS  
President  
Florida Dental Health Foundation
